HOMESICKNESS: Homesickness is a normal reaction to a new environment. Camp staff are trained in dealing with homesickness. Parents can help by:

1. Talking positively about the camp experience.
2. Do not express your own anxiety about your child being away from home.
3. Read books about camp.
4. Send along a favorite stuffed animal, family picture or other familiar item.
5. Send letters to arrive on first or second day of camp.

TELEPHONE CALLS: Please do not send your child with a cell phone. We *discourage* phone calls to or from camp because they can result in exaggerated homesickness. If we feel a call to Mom or Dad is needed, we will contact you.

For emergencies please call the camp office at 712-986-5193 or Toll Free 866.858.3265 during the hours of 8:00 AM to 5:00 PM or call the Program Director at 712-441-6044.
