

CENTER OF HOPE

Sowing seeds of God's love...physically & spiritually

What is the Bike to Work Ministry?

Center of Hope is committed to offering low cost Bicycles for adults so that they will have affordable transportation while they are looking for work or to help get them to and from work. We have bikes that have a wheel size of 24 inches or more and are in working order. Most bikes are priced from \$5 to \$35, however we do have more expensive bikes as well. Each bike is priced depending on quality and branding. No proof of income or sign up required. All are welcome.

What kind of bicycles are accepted at the Bike to Work Program?

Center of Hope **accepts all types of new or gently used bikes, brands, and speeds.** We appreciate bikes in working order, however, we will accept bikes that need minor repair. (such as flat tires or broken pedals etc.)

Other Items:

- ◆ Helmets
- ◆ Water bottles
- ◆ Bottle holders
- ◆ Bike parts

Volunteers are also needed at Bike to Work Ministry!

Center of Hope has a Bike Shop open Monday, Wednesday and Friday afternoons from 1-4 pm. People may bring their bicycles in for minor repairs and/or purchase some low cost new and used parts. Each bike owner may use the tools at Center of Hope, but they are required to do their own work. Volunteers are needed to work along side them to guide and teach the bike owner how to do their own repair work. Also along the way it is our desire for the staff and volunteers to get a chance to build a relationship that will help them share the love and knowledge of Jesus and His salvation message if possible. Volunteers are also needed to do any minor repairs on the donated bikes.
