Bike Shop:

The bike shop is an integral part of Center of Hope. It provides space for fixing donated bikes for people to get to work. It provides a space and tools for others to fix the bikes they already have. Contact the Bike Shop for more information about how you can volunteer with us.

Bike Drive:

This ministry does not exist without the donations of bikes! We accept gently used adult bikes (24 inch tires or larger) and working bike parts. We can provide you with a publicity poster, and newspaper or bulletin announcement samples to help you get started!

Financial Support:

Money gifts are used for operational expenses and purchasing replacement parts. Bike locks are purchased in bulk by our Bike Shop and made available at low cost to bike owners.
